Dear Interested Person(s):

My staff and I are reviewing the objections received for the Southern California Forest Plan Amendments and Final Supplemental Environmental Impact Statement (FSEIS). I have decided to exercise my discretion under Title 36, Code of Federal Regulations, Part 219.56(g) (36 CFR 219.56(g)) to extend the time for the objection review. This will allow us to conduct a thorough review of the issues. It will also allow us to complete scheduled meetings with objectors and interested persons to discuss the issues that have been raised.

With this extension, I intend to issue my final written response to objectors by September 30, 2014, which will be sent to all objectors and interested persons. If you have any questions or need additional information, please contact Theresa Corless, Regional Appeals and Objections Coordinator at (707) 562-8768 or email objections-pacificsouthwest-regional-office@fs.fed.us. Thank you for your interest and involvement.

Sincerely,

/s/ Ronald G. Ketter
